

## EBS surcharge implementation on Danish traffic lines

As of 1 April 2026, an Emergency Bunker Surcharge (EBS) is applied due to increased marine fuel costs. The surcharge applies to road freight shipments that include ferry crossings on short-sea routes.

| TRAFFIC LINE                                                      | EBS per FTL (€) | EBS per 100 KG (€) | EBS Minimum (€) |
|-------------------------------------------------------------------|-----------------|--------------------|-----------------|
| DK(6000-9999) to/from SE                                          | 34.85           | 0.23               | 2.32            |
| DK(5000-9999) to/from NO                                          | 73.27           | 0.49               | 4.88            |
| DK to/from Baltic States                                          | 240.00          | 1.60               | 16.00           |
| DK (1000-4999) to/from<br>DE, BE , NL, FR, LU, CH, AT, ES, PT, IT | 27.20           | 0.18               | 1.81            |
| DK to/from UK (14m)                                               | 184.94          | 1.23               | 12.33           |
| DK to/from UK (via FR 17m)                                        | 51.00           | 0.34               | 3.40            |
| DK (1000-4999) to/from<br>PL, UA, CZ, SK, HU, RO, BG, Balkans, TR | 27.20           | 0.18               | 1.81            |
| DK (5000-9999) to/from FI                                         | 264.32          | 1.76               | 17.62           |
| DK (1000-4999) to/from FI                                         | 45.90           | 0.31               | 3.06            |
| DK to/from IE                                                     | 257.88          | 1.72               | 17.19           |

The surcharge will be continuously adjusted in line with changes to bunker surcharges announced by our ferry service providers.
